

Document Handling

Send personalized emails your recipients will trust

The screenshot shows the Dynamics 365 Document Handling interface. On the left, a sidebar displays 'DOCUMENT HANDLING TEXT' and 'Sales · ENU-ORDER'. A green box highlights 'Dynamics 365 Business Central'. The main area shows 'Email Details' with fields for 'To' (sales@bikemaster.com, Saer@dynus.com), 'Cc', and 'Sales order: 10001'. The 'Message' field contains a template with a document attachment. Handwritten orange annotations include: 'Manage templates in multiple languages' pointing to the 'To' field; 'Manage recipients' pointing to the recipient list; 'Configure naming of attachments' pointing to the attachment filename 'Sales Order 10001.pdf'; and 'Edit before sending' pointing to the message content area.

Document Handling provides you a full-featured solution to send emails with documents attached from Microsoft Dynamics 365 Business Central.

- ✓ Configure emails based on parameters and text strings
- ✓ Language versioning of email templates and attachment naming
- ✓ Use HTML editor to write a fixed signature
- ✓ Signature template with dynamic text variables based on User / Salesperson / Purchaser
