Instant execution of transactions

The **Intercompany** app extends the intercompany capabilities of Microsoft Dynamics 365 Business Central to provide you with 3 main benefits: Spend less time, automate more and manage in more details.

- ✓ Instant execution of transactions
- ✓ Inventory look-up across companies
- ✓ Automated Drop Shipment
- ✓ Automated order changes across companies
- ✓ Posting across companies
- ✓ Automated posting of Sales Orders
- ✓ Automated posting of the Intercompany journal

You may also watch video guides about Intercompany on the User Guide Portal [Use Dynamics](#)

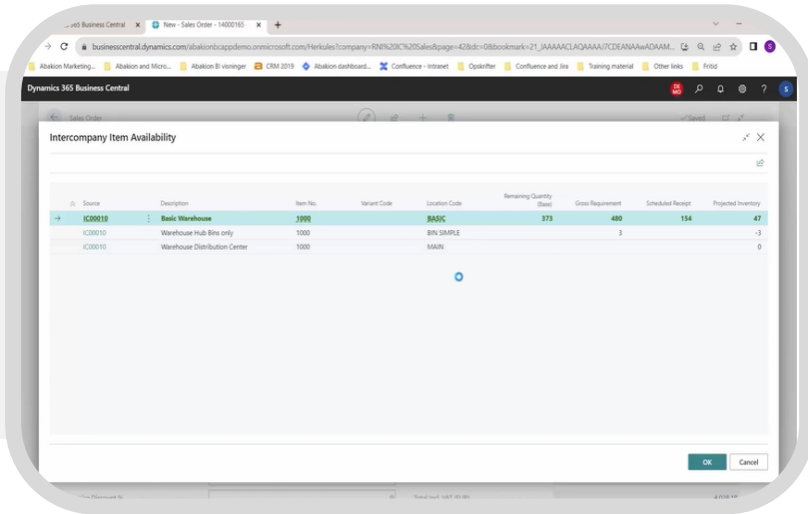

The **Intercompany** app adds many features on top of the standard features in Business Central. It's all you need when you are getting serious about Intercompany – or if you want to remove manual processes, automate more and work with a more detailed setup.
